# Accidental touch

Accidental touch might happen anytime and anywhere. Accidental touch is when someone touches me but does not mean to touch me.

Or when I touch someone else  
when I don't mean to.

If someone touches me by accident  
that is okay if it does not hurt.

If it hurts I should tell my parent, my teacher, or another adult all about it so they can make sure I'm okay.

Sometimes I might touch someone else by accident.
