

Lots and lots and lots of **Little Deals**
happen every single day! Look at all of them!

Little deals
can happen at home.

Little deals
can happen at school.

Little deals
can happen ANYWHERE!

Little deals
happen to children.

Little deals
happen to teenagers.

Little deals
happen to grown-ups.

Little deals happen to EVERYONE!

BIG DEALS are different.
BIG DEALS don't happen very often.

Most days, they don't even happen at all!

These are the kinds of things that are **BIG DEALS:**

Hurts ©

Someone hurts your body on purpose — hit, kick, pinch, push, bite, scratch, pull hair

Dangerous

Something that can seriously hurt or kill

Worried or afraid

Worried that something horrible is going to happen to yourself or someone else

When a **BIG DEAL** happens, it is an

EMERGENCY

and we need to get help from a grown-up right away!

Little deals
are things like...

Bothering

Hurt Feelings

Some examples of **Little deals** that happen are when someone:

- ...whistles loudly in your ear
- ...sits in your spot
- ...says something unkind
- ...won't share
- ...is running in the hallway
- ...won't take turns

- ...is making a mean face
- ...cuts in front of you in line
- ...bumps into you by accident
- ...says, "I'm telling!"
- ...is not following directions

Can you think of more?
